

Posting Notices

Effective Date: May 9, 2023
Function: Human Resources
Contact: HRA@rfsuny.org

Basis for Procedure

Various federal, state, and local laws and regulations related to employment require that employers post notices containing information describing the rights and responsibilities of employees and employers.

Procedure Summary

The Posting Notices document outlines the procedure all operating locations and the Research Foundation (RF) Central Office must follow to maintain compliance with posting requirements, and lists the required notices in electronic format.

Basic Requirements

Each notice must be:

- posted in a conspicuous place where employees can easily locate and read it, and
- made available to employees in electronic format.

The notices that must be posted are listed and described in the Employment-Related Notices section below.

Procedure

The Campus HR Office is responsible for:

- Setting up at least one bulletin board restricted to official notices in a conspicuous area which is easily accessible to employees, such as a lounge or lunchroom, or the areas around time clocks, entrances, and exits. The RF recommends that bulletin boards with glass or plastic cases be used so that the notices are not lost or damaged.
- Informing employees about the location(s) of the bulletin board(s), which contain important information regarding employee rights and responsibilities, and provide employees with an electronic copy of the applicable posting notices at hire.
- Obtaining legible copies of the notices. (Refer to the section below entitled How to Obtain Copies of Notices.)
- If necessary, filling in any location-specific information on the form, such as contact names, phone numbers, and addresses.
- Posting the notices in a conspicuous place on the bulletin board so they can be easily read.
- Maintaining the notices by replacing lost or damaged notices and posting updates and new notices.

How to Obtain Copies of Notices

Copies that can be posted are available in the table below, and from the following sources:

- The [United States Department of Labor \(USDOL\) Workplace Poster Requirements](#) page provides links to instructions for each poster required by a federal law or regulation.
- The [New York State \(NYS\) Department of Labor Posting Requirements](#) page provides links to instructions for each poster required by a state law or regulation.
