Frequently Asked Questions

How do I use my Key2Payroll card to take out cash at an ATM?

1. Insert or swipe your Key2Payroll card in the ATM and enter your 4-digit PIN. (For no charge, find a KeyBank ATM at key.com/locator.)
2. Select Withdrawal from Checking.
3. Enter the amount to be withdrawn.

How do I take out cash at a bank branch or credit union teller?
Visit any MasterCard member bank, including all KeyBank locations, to make a branch withdrawal at no charge. Be sure you know your current available balance, as the teller will not have access to this information. Ask for a cash withdrawal in the amount you would like to withdraw. Note: Banks may require a photo I.D. and/or other forms of identification for you to complete a branch based cash withdrawal.

How can I get cash back with a purchase?

1. At participating retailers, provide your Key2Payroll card to cashier or slide it through the card authorization machine. When the authorization machine asks for Credit or Debit, select Debit.
2. Enter your Key2Payroll card 4-digit PIN.
3. Select Yes for cash back.
4. Enter the amount of cash you want to withdraw, and press ‘OK’.

When do I use my Key2Payroll card PIN?
Your Key2Payroll card can be used to make signature-based purchases without a PIN by choosing Credit on the card authorization machine. However, your PIN must be entered for all cash withdrawals at ATMs and for cash back on purchases made at merchants using Debit on the card authorization machine. You will select your own unique 4-digit PIN number by calling Key2Payroll Customer Support at 1-866-295-2955 after you receive your card. For security reasons, it is important that you pick a PIN that only you would know, and not share the PIN or the card with anyone.

Am I still able to take out cash if I forget my Key2Payroll PIN?
Yes. You can go to any bank or credit union and ask the teller for a cash withdrawal.

How will I know when funds are loaded to my Key2Payroll card?
The Key2Payroll card allows you to self-enroll in optional text or email alerts such as the addition of funds, low balance, zero/negative balance, and change of address online at Key2Payroll.com. Your mobile carrier’s standard text messaging charges may also apply. Refer to the Key2Payroll Schedule of Card Fees for further detail.
