A: ***We understand that mentors and protégés have busy schedules, which is why we only suggest a minimum of 30-60 minutes per month to connect with each other. Certainly we encourage more time if permissible. There are monthly learnings that we ask everyone to participate in to enhance their experience in the program. Each program is approximately two hours. The majority of the programs are offered virtually to minimize travel, however, to strengthen the cohort the Program Kick-Off, The Mid-Point Check-In and Graduation are in person and held in Albany.***

Q: Will the RF reimburse my expenses for attending the in-person sessions?

A: ***The RF will make every effort to support the cost of the program. A determination of what travel expenses can be supported will be made after the final participants are selected and we know how many participants and campuses will be involved in the program. Past programs have funded travel costs to the kickoff, mid-year check-in and graduation face-to-face sessions.***
