**Report Center Tip and Tricks**

**Utilize the Favorites functionality!**

Don't spend extra time navigating through multiple folders to your most used analyses, add them to your favorites shortcut

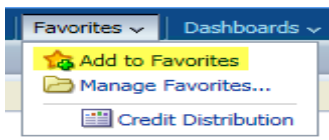

Here is a step by step on how to add to your favorites

**1. On top menu you will see the Favorites list:**

**2. Open the analysis you want to add:**

Select Favorites from up top and select Add to Favorites:

Going forward you will be able to simply click Favorites up top and open the desired report.

Select Manage favorites to organize and remove analyses from the favorites menu:
