

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, <u>www.mvphealthcare.com</u>. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary/</u> or call 1-888-687-6277 to request a copy.

| Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| What is the overall<br><u>deductible</u> ?                              | \$0.  | See the Common Medical Events chart below for your costs for services this plan covers.  |
| Are there services covered before you meet your <u>deductible?</u>      | Yes. Preventive care services are<br>covered before you meet your<br>deductible.                                  | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.  |
| Are there other<br>deductibles for specific<br>services?                | No.   | You don't have to meet deductibles for specific services.  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ? | In-Network -\$6,600 individual /\$13,200<br>family  | The out-of-pocket limit is the most you could pay in a year for covered services.If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                | Copayments for certain services,<br>premiums, balance-billing charges, and<br>healthcare this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out–of–pocket limit.   |
| Will you pay less if you use<br>a <u>network provider</u> ?             | Yes. See www.mvphealthcare.com or call 1-888-687-6277 for a list of network providers.                            | You pay the least if you use a provider in the Preferred Provider tier. You pay more if you use a provider in the In-<br>Network tier. You will pay the most if you use an Out-of-Network provider, and you might receive a bill from a<br>provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your<br>network provider might use an out-of-network provider for some services (such as lab work). Check with your<br>provider before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?              | No.   | You can see the specialist you choose without a referral.  |
