HOW TO APPLY FOR UNEMPLOYMENT INSURANCE

Unemployment insurance is protection for people who are out of work through no fault of their own. It provides them a weekly benefit to keep them and their families going while they look for new jobs. If you become unemployed and want to apply for unemployment insurance benefits you may file your claim on the web by going to the Department of Labor's web site. www.labor.state.ny.us and clicking on "Unemployment Insurance Web Services" and following the prompts to 'file a new claim'. You may also call the Telephone Claim Center at 888-209-8124. This is a toll free call. Hearing impaired individuals who have Telephone Device for the Deaf (TTY/TDD) equipment may file a claim by calling a relay operator at 1-800-662-1220 and requesting the operator to call 1-888-783-1370. Service at this number will only be provided to callers using TDD equipment. Callers who have difficulty using the telephone for any reason may request that a friend or relative assist in the telephone claims process. Translation services are also available.

RE: Unemployment Benefit Charges

The Department of Labor (DOL) on a monthly basis provides central office with a "Notice of Benefit Reimbursement Charges" form (IA-96-R). We are providing you with a monthly (02/05/10) report of former employees receiving unemployment benefit compensation from your campus. Please refer to the Unemployment Insurance Claims Procedure on the RF web portal for more information.

Please review the listing for the following and:

1. Notify the local unemployment office and central office if the person has returned to work, or employment is available.
2. Verify that the claimant was employed by you during his/her base period and that the Benefit amount appears to be accurate.
3. Report to the local unemployment office any information that might effect the rights of the claimant and contact central office for assistance as needed.

Please let me know if you have any questions.
