Frequently Asked Questions (FAQs)

• Question... Will I be using a different login (name and password) to access the RF’s business applications?
  
  – Answer...No, you should continue to use your existing login for accessing the RF’s business systems for the first phase of Single Sign On.

• Question... I currently have a Mac computer. Is the new login solution compatible?
  
  – Answer...Yes, the new SSO solution is compatible with both Chrome and Safari.

• Question... What happened to Oracle Portal?
  
  – Answer...Oracle Portal has reached end-of-life status and is no longer supported by Oracle. As a result, the RF decommissioned Oracle portal as part of the overall SSO initiative.

• Question... What happened to the Oracle Portal content, such as documents and other information?
  
  – Answer...Most Oracle Portal content has been migrated to the RF’s public website and is accessible via https://www.rfsuny.org. Further assistance can be obtained by contacting our Customer Services Team:

Frequently Asked Questions (FAQs)

• Question... Help! The change password feature is not working for me.
  
  – Answer... The change password feature works with the e-mail address on file. Please contact Customer Services to verify or update your e-mail address:
    ▪ Phone- 518-434-7222
    ▪ E-mail- customersservices@rfsuny.org

• Question... When will I be able to use my campus login to access the RF’s business applications?
  
  – Answer... The second phase of Single Sign On will be introduced as part of the Cloud Migration & Oracle Upgrade go-live and will include the ability to log in with your campus credentials. This is scheduled for October 2021.

• Question... I followed the Change Password instructions but never received the password reset e-mail. What should I do?
  
  – Answer... It is possible that the password reset e-mail was flagged by your local e-mail system as junk or spam mail. Please check your junk e-mail folder. If found, you can add the e-mail address to your approved senders list. If you are still unable to locate the password reset e-mail, please contact Customer Services for assistance:
