

**Catherine L. Hoselton**

Assistant Vice President for Sponsored Programs

RF Operations Manager

Human Protections Administrator

Since August 2013, Ms. Hoselton has served as Assistant Vice President and RF Operations Manager at SUNY New Paltz and is responsible for the overall administration of externally funded research and sponsored program activity, including pre-award and post award administration and research compliance. Areas of compliance under her responsibility include human subjects research, for which she is the Human Protections Administrator, animal research, biosafety, conflicts of interest, and export controls.

Prior to joining SUNY New Paltz, Ms. Hoselton was Senior Program Management Analyst in the Program Management Office at the University of California, San Francisco, (UCSF) where she served as subject matter expert in the design, build, and testing of a web-based, pre-award system supporting approximately 6,500 submissions annually. Previously, she served as the Finance Manager for the Division of Hematology and Medical Oncology at UCSF, a high volume Division with 32 faculty, 40 fellows, 80+ post docs and research staff, and over \$60M in annual expenditures. She was responsible for pre-award and post award management for all externally sponsored research including federal, state, and non-profit grants, industry sponsored clinical trials, professional fees, gifts, and a 340B hemophilia program.

Ms. Hoselton has an M.S. in Organization Development from the University of San Francisco and a B.A. in History from the University of California, Santa Cruz.
