If you have any questions regarding the above-listed release notes, please contact the Data Services team by sending an email to [rfreportcenter@rfsuny.org](mailto:rfreportcenter@rfsuny.org)

*Thank you for your continued support as we continue to enhance the RF Report Center to provide a robust analytical tool for the user community.*

## Report Center Tip and Tricks

This month there will be an attached document with instructions on how to open the MAS and MAP on the RF AIR dashboard in a new window. This will allow the user to close that window without closing out of the Report Center.
